On 10/05/2016 at approximately 0715 hours I responded to the report of a indecent exposure in the area of Harrison Avenue NW and Yauger way. Dispatch advised a naked subject was throwing rocks at passing cars and had been stepping into the roadway. One caller stated the naked male was chasing cars. He was reported running westbound on Harrison Avenue NW. Multiple callers had reported damage to their vehicles while Officers were enroute to the scene.

The naked male, later identified as Kelby Renkert, was located as he was entering the premise of Phyl's Furniture. Renkert had armed himself with a long metal pole. Renkert began to swing at the window near the front entrance of Phyl's furniture. Renkert shattered the window after he hit the glass several times. When Renkert noticed patrol vehicles he went toward the westside of the building, going out of sight for just a moment. Renkert found a spot toward the westside of the front of the building where he was able to pull himself onto the roof.

Once Renkert was on the roof, he continued his destructive behavior. Renkert began tearing at pieces of the roof. Renkert would tear shingles from the roof and throw them towards the backside of the building. Renkert also pulled several cameras out of the wall. Renkert kicked, hit, and tore pieces of the wall that allowed him access to the second story attic. Renkert began accessing small rolls of plastic from the attic and throwing them towards the road. While Renkert was on the roof, Officers gave verbal commands for Renkert to drop the items and to come off the roof.

Renkert began to walk towards the eastside of the building leaving a destructive path. Renkert tore several cameras and lights off the wall. Renkert would throw the lights at the building or toward the ground to break them. Renkert sat down several times near the gutters at the front of the building and would stomp on the gutters to detach them from the roof. Renkert detached the gutters in several areas from the roof. Renkert also found that the facade wall the store sign is attached to moved when he struck it. Renkert tore several pieces of the wall apart so he could walk through the space he created. Renkert walked up towards the peak of the roof and then would run down the peak into the wall. Officers continued to give verbal warnings to stop damaging the property and come down, so he could go to the hospital.

Phyl's furniture also has a glass electric store sign that Renkert swung several items at. At one point Renkert stuck his hand into the sign and pulled away quickly appearing that he had been electrocuted. Once Renkert found the electricity, he began to stick pieces of wood near the source of electricity. Renkert tore a metal antenna off of one part of the roof and put it into the sign where he had appeared to get electrocuted. The fire department had turned off the power to the building prior to this instance.

The fire department retrieved a mattress from the Phyl's furniture which gave Renkert the option to jump down. Over the course of his destructive behavior on the roof, Renkert was verbally commanded several times to jump onto the mattress throughout the course of his destructive behavior on the roof.

Renkert calmed himself down and sat towards the front of the building. Renkert had scratches over many parts of his body. His hands and feet were bloody from striking objects and running barefoot. Renkert then jumped down to the mattress. Renkert was detained into handcuffs and medically sedated by the Fire

Department.

Renkert caused building damages at \$50,000 or more. Renkert had also damaged vehicles while running to Phyl's furniture. Renkert was transported by Medic One to Capital Medical Center and admitted for a involuntary mental health evaluation.

After Renkert was transported to Capital Medical Center, I drove back to Phyl's furniture and made contact with the building owner, Eileen Bloss, and the assistant store manager, Gail M. Liden. Liden told me a mattress (\$599), a lamp (\$109), and a dresser (\$399) were damaged on the inside of the store from the window shattering. Liden does not think the cameras are connected anywhere so they were not recording the incident.

On 10/5/16 at approximately 0713 hrs. I was dispatched to an Exposure/Vandalism call where a naked male (OF/Renkert) was seen running in the roadway in the area of Mud Bay Rd. and Kaiser Rd. throwing rocks at cars that passed through the area. Prior to my arrival, Dispatch/TCOMM advised that they were now receiving numerous calls about this male.

When I arrived in the area I was directed to "Phyl's Furniture Connection" where Ofcr. Malone advised that OF/Renkert was now on the roof of the building. From approximately 0723 hrs. till approximately 0800 hrs. I watched as OF/Renkert would run back and forth along the front/south facing roof line on the building tearing external lights off, both permanent and temporary signs down and even breaking the wooden facade down. During this time I saw that he was completely naked yelling about the police wanting to kill him. As a pre-caution, I directed firefighters to enter "Phyl's" and recover a mattress in case it was needed. The mattress was later used when OF/Renkert came down off of the roof as directed. Once on the ground, he was handcuffed and chemically sedated by OFD Paramedic Glenn.

Due to the time delay, I called all of the victims listed with the exception of V/Nicholyavich, who works nearby.

V/Nicholyavich told me that while driving EB Mud Bay Rd. in his "Century Link" "Ford F450" truck #2236279 he had come to a stop at the intersection of Kaiser Rd. Suddenly a nude man (OF/Renkert) appeared on the passenger's side of the truck and from a distance of less than 5' threw a rock through the glass window. V/Nicholyavich said the rock was thrown at head height and believes the closed glass window saved him from serious injury and possibly death. V/Nicholyavich recovered the rock that had been thrown by OF/Renkert in the cab of the truck and released it to me. I saw that it was a smooth rock about the size of a baseball on still had glass fragment attached. (see written statement).

V/Turcotte told me that while driving EB in the 3500 blk. of Mud Bay Rd. a naked male (OF/Renkert) appeared in the roadway and threw a rock at her 2005 "Chevy Tahoe" Wa# 120YGX as she drove by. The rock struck and damaged the rear driver's side door (see attached photo sent to me via Email).

V/Drake told me that while driving WB in the 3500 blk. of Mud Bay Rd. OF/Renkert, who she said was naked struck and damaged the right front passenger's side quarter panel of her 2015 "Ford Fusion" with a rock when she drove by (see attached photo sent to me via Email).

V/Bloomdahl told me that while driving WB in the 3500 blk. of Mud Bay Rd. OF/Renkert, who she said was naked threw a rock at her car as she passed striking and damaging the front passenger's side window of her 2002 "Toyota Camry." She said that as the rock entered the car, it ended up on the floor board below her feet.

V/Cole told me that while driving EB in the 3500 blk of Mud Bay Rd. OF/Renkert, who she said was naked

On 10/05/16 at about 0716 hours I responded to this disturbance/malicious mischief call. Dispatch advised that a naked male was throwing rocks at cars in the area of Harrison Ave NW and Yauger Way NW. The male was also in the roadway.

As I was en-route, dispatch was giving updates of individuals calling this person in. Some were stating that their vehicle was hit by a rock that this male threw.

I activated my overhead emergency lights and siren to respond to the area from downtown.

I arrived in the area of and saw several motorists that were traveling east bound pointing back westbound towards Phyl's Furniture. (This was also that last area a caller had stated the male was seen.)

I got closer to Phyl's Furniture and saw a naked male running through the parking lot located just west of Phyl's Furniture. The male was also carrying a wooden pole in his right hand. I saw this male fall in the parking lot, get back up, and run into the roadway; the west bound lane side. There were several vehicles in the east bound lanes that had stopped due to my overhead emergency lights.

The naked male was in the roadway briefly and did not threaten motorists. At one point he appeared to possibly be looking for a route through the vehicles.

The male left the roadway and ran up to Phyl's Furniture and attempted to break a window with the wooden pole. The window did not break, so he ran to another window, just to the west, and proceeded to hit it repeatedly until it shattered.

I did not contact the naked male at this time based upon his violent behavior, he was armed with a wooden pole, I was alone, and there were no lives in danger or being threatened. I kept observation of the individual and waited for other officers to arrive.

The male then ran around the side of part of the building and climbed up onto the roof. The proceeded to break lights and destroy the roof and items on the roof.

I had stopped my patrol car on the west side of Phyl's Furniture and grabbed our less lethal shotgun.

Other officers, supervisors, and the fire department arrived.

I was directed to take a position on the backside of Phyl's Furniture with Officer Marcuson.
